## Camp Fernwood Electronics Policies Form

*If you have not yet read our Cell Phone and Electronics policies on pages 8 and 9 in the handbook, please read and then complete the form below and return.*

I have thoroughly read, understand, and agree to abide by Camp Fernwood's electronics policies on pages 8 and 9 of the parent handbook. I understand the importance of these policies within the Fernwood community, and have gone over this information with my daughter to ensure her understanding as well.

My parents have gone over (with me) the Camp Fernwood electronics policies written on pages 8 and 9 of the parent handbook. **If I do travel to camp with a cell phone, I will deliver it to the office immediately upon my arrival at camp.** I understand that breaking these policies is a violation of trust, and agree to follow them during my time at camp.
